## A PERIOD PRODUCTS DRIVE

Period Supplies Are Necessities,  
Not Luxuries

### It's EASY to host a period products drive:

- 1. GATHER YOUR TEAM:** Coordinate a drive at your workplace, school, or club - or recruit family, friends and neighbors.
- 2. START COLLECTING:** Donate pads (most requested item), tampons, liners and menstrual cups
- 3. DROP OFF YOUR DONATIONS:** Bring your donations to JFS Brookside or JFS at the J. You can also schedule pick-ups for larger donations.
